**TOUGH TIRES FOR TOUGH JOBS!**

### **TYRANT SST**

Severe Service

The "TYRANT SST" has a tough rubber compound formulated to provide high cut and abrasion resistance meaning ultimate performance.

Nearly 2 1/2" of tread depth delivers up to 4 times longer wear than foam filled pneumatics and almost twice the life of other standard depth solids.

Tyrant's distinctive opposing egg shaped apertures ensure ride quality, cool running and side wall stability.

- **Easy Installation**
- **Wide Profile – High Flotation**
- **Excellent Traction**
- **Comfort Ride**
- **Lowest Operating Cost**
- **100% Up Time**

Pneumatic Size	Tyrant SST Size	Tread Design	N.S 32nds"	O.D"	Width"	Wheel Pattern	Weight Lbs	Load Cap. Lbs
